PROFESSIONAL SUMMARY

Motivated and detail-oriented B.Tech Information Technology student with hands-on experience in Android application development, Python, C, HTML, and data visualization. Skilled in developing Android applications using Kotlin and Android Studio, including WebView-based mobile applications integrated with web platforms. Passionate about software development, business technology solutions, and continuous learning.

TECHNICAL SKILLS

- **Languages:** Python, Kotlin, C
- **Frameworks & Tools:** Django, Git, Android Studio, Power BI
- **Concepts:** REST APIs, Authentication, Client-Server Architecture, Distributed Systems Basics

PROFESSIONAL EXPERIENCE

Intern - DPDPD Pvt Ltd

January 2026 – Present

- Developed Android applications using Kotlin and Android Studio for patient and partner services.
- Built and maintained responsive mobile interfaces with improved UI/UX features.
- Worked on integrating WebView functionality to convert an existing web platform into a mobile application.
- Collaborated with the development team to enhance application performance and usability.
- Managed local data storage and optimized application responsiveness for better user experience.
- Collaborated with the development team to enhance application usability and workflow navigation.

PROJECTS

AIDO – Android Application Development

- Contributed to the development of the AIDO mobile application using Kotlin and Android Studio.
- Implemented user-friendly interfaces and optimized application performance.
- Assisted in feature integration, debugging, and application maintenance.

WebView-Based Mobile Application

- Developed an Android mobile application using WebView to integrate an existing company website into a mobile platform.
- Improved accessibility and mobile user experience through responsive application design.
- Worked on navigation handling, page loading optimization, and app performance enhancement.

Power BI Sales Dashboard

- Developed an interactive dashboard to analyze sales data.
- Created charts and reports for category and shipping analysis.
- Performed data cleaning and transformation for accurate visualization.

EDUCATION

B.Tech – Information Technology

Bapatla Engineering College
CGPA: 9.35

2022 – 2026

Bapatla

Intermediate (MPC)

Sri Sai Junior College
Percentage: 84.9%

2020 – 2022

Bapatla

CERTIFICATES

TCS CodeVita Season 13 – Global Rank 609

- Achieved Global Rank 609 in TCS CodeVita Season 13 coding competition for demonstrating strong programming and problem-solving skills.

Power BI Internship Certification – Shripriti Educational & IT Hub

- Completed a 2-month internship focused on Power BI dashboard development and business data visualization.

AI Tools & ChatGPT Workshop – be10x

- Completed hands-on training on AI tools, ChatGPT applications, AI-assisted coding, presentations, and data analysis.

ACHIEVEMENTS

- Secured Global Rank 609 in TCS CodeVita Season 13.
- Maintained CGPA of 9.35 in B.Tech Information Technology.
